Anti-Money Laundering and Anti-Terrorism Financing Policy

Policy

"It is the policy of the NRSP to prohibit and actively prevent money laundering and any activity that facilitates money laundering or the funding of terrorism or criminal activities" by complying with all applicable requirements under the **Anti-Money Laundering Act 2010** (Act No. VII of 2010 - an Act to provide for prevention of money laundering) and **Anti-Terrorism (Second Amendment) Act, 2014** and its implementation regulations. Recently under the national action plan and SECP regulations money laundering has been identified as a major cause for corruption and criminal activities. Therefore, NRSP is very sensitive to ensuring that our platform is not used for any such purposes.
