The email query should clearly mentioned the following details, so that in case of any clarification, the same maybe issued to them: <ul style="list-style-type: none"> • Name of Company, Contact person, Mailing address, Telephone No. Email address, Mobile No. etc

Note: Proposals will be opened in presence of the supplier representative who choose to attend the opening sessions

1. Introduction

Established in 1991, NRSP is the largest Rural Support Programme in the country in terms of outreach, staff and development activities. It is a not for profit organization registered under Section 42 of Companies Ordinance 1984.

NRSP's mandate is to alleviate poverty by harnessing people's potential and undertake development activities in Pakistan. It has a presence in 56 Districts in all the four Provinces including Azad Jammu and Kashmir through Regional Offices and Field Offices. NRSP is currently working with more than half a million poor households organized into a network of more than 115,076 Community Organizations. With sustained incremental growth, it is emerging as Pakistan's leading engine for poverty reduction and rural development.

2. Background

National Rural Support Programme (NRSP) is largest provider of Microfinance services in Pakistan. Since NRSP has deployed its IT system across NRSP branches network so there is need to deploy new hardware for better security and performance of data. The detail specification of the required hardware are given below.

3. Procurement details.

The project scope spans around NRSP Islamabad datacenter. The selected firm will supply, install, configure, and test the offered solution and allied equipment. The selected firm will also be responsible for integrating the newly installed hardware with existing server farm infrastructure and datacenter network. The selected firm is expected to use the international 'best practices' in delivering the services with in time, cost and quality. Maintenance and support services will have to be provided by same firm during warranty period.

The successful firm will be responsible for:

- a) Supply of hardware
- b) Complete Installation/Commissioning of proposed solution
- c) Migration of existing application on new platform.
- d) Smooth and timely User Acceptance Test
- e) Project management for supply of goods, support, warranty and services for the entire project.

Below is the complete list of hardware to be purchased under this tender.

Engineered System Solution for Oracle Databases and Core Applications.

➤ General Features:

- a) Must have Single automated patching interface and patch bundle to update and patch software system components such as firmware and hardware drivers, operating system, storage manager, clustering software, and database
- b) Must have Simplified deployment and management for Oracle Databases.
- c) Must provide best practices and predefined Oracle Database Sizing templates for all workloads with easy and automated Oracle Database Deployments through Browser user Interface and GUI configurator.
- d) Must have Automated Database backups and recovery policies.
- e) Hardware and software configuration built to protect against component failures such as disk failures, CPU failures, memory failure, network card failures, and system controller failures.

➤ Technical Requirements

- a) server must have at least two (2) AMD EPYCTM 9334, 2.7GHz (up to 3.9 GHz), 210 watts, 128 MB L3 cache
- b) server must be configured with at least 512GB of DDR4 RAM
- c) Server must have two internal 480 GB M.2 NVMe SSDs (mirrored) per server for Operating System and Oracle Grid Infrastructure (GI) Software
- d) server must have a minimum of four (2) 10GBase-T Ethernet ports
- e) Disk storage must 4 x 6.8 TB NVMe Usable Capacity 10.5 TB.
- f) Storage must support column level compression through existing software stack.
- g) Must come with pre-installed OS Linux – 7.9 or above UEK4 licensed for above mentioned cores along with principal support.
- h) Pre-Configured, Pre-tested optimized system with compute nodes/servers and Data Storage that provides an optimal solution for Oracle Database workloads
- i) System must support KVM based Virtualized Platform.
- j) The system should have self-management features, which implies automatically, download of software and patches if configured so by the user of the system.
- k) The software must allow Database license to be capped base on needs and single command allocation of CPU Core strictly following the Oracle Database Licensing Compliance matrix.
- l) Diagnostic Wizard that allows identification of problems and taking corrective actions. It should allow the easy creation of service requests for the technical support to be sent to the vendor of the system, for any hardware related issue
- m) Must have Premier Support for Systems with 24/7/365 (1 Year)

➤ **Software Migration Requirement**

- a) Installation/Configuration of Oracle Database/RAC 19C for Compatible Migration of Database and Application.
- b) Migration of Oracle Database 11g to 19c on Linux platform.
- c) Installation/Configuration of Oracle Forms/Report 12C.
- d) Migration of Oracle Forms/Report from 11g to 12c on Linux platform.

➤ **Training**

- a) Professional level Hardware & Software training for two persons.

4. Requirements

- a) Each and every part/ component required to operate hardware being procured or license(s), should be included in deliverable (technical and financial Proposal) and shall be the responsibility of the supplier.
- b) Only brand-new hardware to be proposed. Refurbished, Grey or smuggled or international warranty products will be not accepted in any case.
- c) Installation and configurations with respect to NRSP Network design and NRSP Business requirements. (Proposed High level diagram to be attached with the technical proposal).
- d) The supplier should provide a plan for Support, Warranty and Services in its technical proposal (Document to be attached with the technical proposal).

5. Eligibility of the Supplier

Following is the eligibility criteria to participate in this tender. (Refer to Form E1)

- a) Must be registered with SECP/ Registrar of Firms in Pakistan and working for the last 10 years in Pakistan in the field of IT (Certificate of Incorporation to be attached from SECP/Registrar of Firms).
- b) Must have valid/active NTN and GST and on active tax payer list of FBR on the date of submission of technical proposal.
- c) Supplier should have minimum of 2 certified Engineers as a permanent employee of proposed hardware/ software (current updated CVs with copy of relevant certificates to be attached).
- d) The supplier must provide Manufacturer Authorization Letter (MAL) with reference to his RFP to participate in this tender (MAL to be attached with the technical proposal)
- e) Proposed Solution (hardware & software) must have OEM Presence in Pakistan for Minimum of 5 Years or more (Document to be attached as proof)
- f) Supplier must have at least 5 years of experience in selling proposed type of solution (hardware and software) (Attach documentary evidence in shape of Purchase Orders / Contracts / completion certificates with complete solution detail)
- g) Proposed solution (hardware & software) must have 24/7/365 1 year Technical Supplier and OEM Support (parts and services both) from the date of commissioning. (To be mentioned clearly in the technical proposal)
- h) Supplier must be authorized gold partnership or higher for the offered solution (Document to be Attached)
- i) Undertaking of blacklisting as per Form E1.1

6. Submission of Proposals

Proposals will be accepted and evaluated using **Two Stage-Two Envelop Procedure**, The Technical and Financial proposals shall be submitted separately. At first stage only Technical Proposals should be submitted marked as:-

Technical Proposal - Tender No. NRSP/HARDWARE/RQ-1730

The cover letter should also specify the validity date of Proposal with point of contact (name, email & contact number) for this tender from supplier side.

6.1 The **technical proposal** shall provide/contain the following information/documents:

- a. Technical Proposal Submission Form (Form T1)
- b. Mandatory Eligibility Criteria (Form E1)
- c. Company Profile and Copy of last financial year audit report dully signed by the auditor (Form T2)
- d. Specific experience for similar assignments (Form T3).
- e. General experience (Form T4).
- f. Qualification and Competence of the proposed team for support for this assignment (Form T5)
- g. Proposed hardware compliance with required specifications, delivery time, installation/ testing/ commissioning plan (Form T6)
- h. Project Implementation Plan
- i. Proposed Hardware with make and model, SLA details, Subscription & Support details and training details. All the relevant literature, catalogs, brochures must be attached showing the technical specifications in details with technical compliance sheet.
- j. Any other document which could be helpful in the technical evaluation.

(if nay format/template is not available supplier can use his own to submit the required information)

The technical proposal shall not include any financial information.

6.2 The **financial proposal** shall contain the following information which will be called from the technically qualified suppliers at later stage:

- a. Financial Proposal Submission Form (Form F1)
- b. The DDP (Ex-Islamabad NRSP Data Center) price of each item with complete details, make and model. All applicable taxes and mentioned clearly. Prices should be on DDP (NRSP Data Center, Sihala), Islamabad basis. (Form F2)
- c. Delivery time required for each item. (Form F2)
- d. Supply, installation, testing and configuration details. (Form F2)
- e. Bid Security @2% of the total deliverable (including taxes) in the shape of Call deposit/Pay Order/Demand Draft/cashier cheque in the name of NRSP.
- f. Validity of the financial proposal. (Form F2)
- g. Other terms and conditions (if any).

6.3 Suppliers must offer all the equipment with training as given in section 3. Incomplete or partial tenders will be rejected.

6.4 If the proposal is not submitted in the prescribed formats or any of the item in the as mentioned above, the proposal may be rejected. All the required documents must be attached/provided.

6.5 Once the proposal is submitted in sealed cover by the supplier, NRSP will not accept any addition / alterations / deletions of the proposal. However, NRSP reserves the right to seek clarification or call for supporting documents from any/all of the suppliers, for which the concerned supplier will need to submit the documentary evidence(s) as required by NRSP.

6.6 Any Proposal, submitted with incorrect information will be liable for rejection. Further, if any supplier is found to have submitted incorrect information at any time, his proposal will be rejected and he may be debarred from participation in the future tendering processes.

6.7 The Supplier should take care in submitting the proposals and ensure that enclosed papers are not found loose and should be **properly numbered** and submitted in a file in proper manner so that the papers do not bulge out and tear during scrutiny.

6.8 Last Date of Submission is 3rd July, 2024 till 3:00 pm local time. Supplier should be responsible to submit the proposal on time. Any delay from courier or rider will be on NRSP account. NRSP will close the Proposals receiving on above given date and time.

6.9 The proposals must be submitted in original hard copy not later than 3rd July, 2024 till 3:00pm local time to the point of contact given below. Electronic proposals will not be entertained. Any proposals delivered after due date and time will be considered as non-responsive and disqualified from further consideration.

6.10The proposals should be marked/addressed as:

(Technical Proposal for Backup Appliance Solution for NRSP)

Tender No. NRSP/HARDWARE/RQ-1730

Procurement Committee,

National Rural Support Programme

IRM Complex, 7, Sunrise Avenue, Park Road, Chak Shehzad,

Near COMSATS University, Islamabad.

Ph:+92-51-8746170-3.

6.11NRSP reserves the right for conducting pre-shipment inspection by its own personnel or reputed third parties. The selected supplier has to offer the hardware for inspection in such a manner that it does not affect the delivery schedule.

6.12The offer should remain valid for a period of **90 days** from the closing/submission date. Any offer falling short of the validity period is liable for rejection. If a supplier extend proposal validity period then will also extend the security period.

6.13Alternative option, if there is any alternate option then it mentioned separately in proposal. Alternative options benefits should be clearly mentioned.

6.14Clearance of the equipment from Tax Authorities would be the responsibility of the supplier.

6.15Selected supplier must undertake to provide NRSP, the consignment notes number(s) by which the equipment ordered had been dispatched from their site, so as to have online / web access to the tracking system of physical movement of the consignments sent through courier.

6.16 The supplier may withdraw its offer after its submission, provided that written notice of withdrawal is received by NRSP prior to the closing date and time prescribed for submission of proposals. No offer can be withdrawn by the supplier subsequent to the closing date and time for submission of proposals.

7. Evaluation Criteria

- a) Supplier has to fulfill the eligibility criteria initially. After qualifying the eligibility criteria, technical compliance will be checked as per compliance sheet provided in these documents. After technical compliance, financial proposals will be called from the technically qualified suppliers. Financially lowest proposal from the technically compliant proposals will be shortlisted for award. Complete tender will be awarded as turnkey.
- b) NRSP technical evaluation committee will scrutinize the technical proposals to determine whether it is complete, whether errors have been made in the offer, whether required technical documentation has been furnished and whether the documents have been properly signed. Offers with incorrect information or not supported by documentary evidence, wherever called for, would be summarily rejected. However, NRSP, at its sole discretion, may waive any minor non-conformity or any minor irregularity in an offer. NRSP reserves the right for such waivers and this shall be binding on all suppliers.
- c) For proper scrutiny, evaluation and comparison of offers, NRSP, at its discretion, may ask some or all suppliers for clarification of their offer. The request for such clarifications and the response will necessarily be in writing.

8. Deliverables

Hardware, software, services and training as per details given section 3.

9. Terms of Proposal

a) Bid Security

All suppliers shall furnish Bid Security Deposit equivalent to **2% of the total Cost of Deliverables** (including taxes) in the form of Call deposit/Pay Order/Demand Draft/cashier cheque in favor of NRSP. Cheque will not be accepted in any case. After selection of successful supplier, NRSP will return/release the bid security to the unsuccessful suppliers.

b) Performance Security

Performance security will be 10% of the total cost of the Hardware and software (excluding training) which will be withheld from the final payment for the period of one year. After the successful completion of warranty period of one year, performance security will be released. The amount withheld may be released against the bank guarantee of same amount provided by the supplier as performance guarantee.

10. Fees and payment Schedule

- a) Payment will be made after the complete and satisfactory delivery/acceptance of hardware and software within 2-3 weeks through cross cheque in favour of supplier as per below tentative schedule.
 - Upto 70% advance on submission of bank guarantee of same amount from any schedule bank in Pakistan
 - 20% on complete installation, migration and other servers required as per this RFP.
 - 10% on the complete of warranty period of 1 year. This amount may also be released against bank guarantee of same amount for one year.
- b) Taxes will be deducted from all the invoices as per prescribed law of Govt. of Pakistan. If supplier has any of the tax exemption, the details must be attached with the invoice. Tax challans will be provided within 3-4 weeks of the payment.

11. Paying Authority

The payments as per the Payment Schedule covered hereinabove shall be paid by NRSP. However, Payment of the bills would be payable on receipt of advice/confirmation for satisfactory delivery / installation / configuration from Network Administrator and Programme Manager IT.

Following Documents are to be submitted for Payment:

- a. Bill
- b. GST Invoice
- c. Duly acknowledged Delivery Challan/acceptance Certificate.

12. Delivery Schedule

- a) The Selected supplier must undertake to deliver the equipment ordered, to NRSP Data Center Sihala Islamabad within the time offered in the proposals from the date of the Purchase Order/Contact. However, Delivery schedule may be changed under special circumstances at the discretion of NRSP.
- b) NRSP reserves right to shift the ordered equipment to any location where it has presence, anywhere in Pakistan, either during the warranty.

13. Warranty & Maintenance

The supplier shall be fully responsible for the defected items and will be responsible to replace at his own cost with the same make/model of the equipment. All the hardware should have one-year warranty from the date of supply/installation as mentioned in the section 3.

14. Penalty for Downtime

In case of delay in the supply of material against the terms indicated in the purchase order/contract, the supplier will have to pay a fine of 0.5 % (Half) percent of the balance qty for each day of delay. Maximum penalty will be 10% of the total order/contract. If shipment is delayed for more than 20 days NRSP has the right to unilaterally cancel the PO/contract and supplier bid security will be forfeited.

15. Penalty on Liquidated Damages for delayed supply

In case the delivery is delayed beyond the stipulated date of delivery, 'Liquidated damage for late delivery @ one half of one percent (0.5%) of the order value for each day of delay or part thereof would be imposed, subject to maximum of 10% if the delay is for 20 days or more. The penalty for late delivery will be deducted from the final invoice amount.

16. Currency

All prices shall be expressed in Pakistani Rupees only.

17. Cost of Process

The supplier shall bear all the costs associated with the preparation and submission of proposals & samples (if any) and NRSP will in no case be responsible or liable for these costs regardless of the conduct or outcome of the bidding process.

18. Tender Document

The supplier is expected to examine all instructions, forms, Terms and Conditions and specifications in the Tender Document. Submission of a proposal not responsive to the Tender Document in every respect will be at the supplier's risk and may result in the rejection of its proposal without any further reference to the supplier.

19. Deadline for Submission of proposals

Proposals must be received by NRSP at the address specified in the Tender Document not later than the specified date and time as specified in the Tender Document. In the event of the specified date of submission of bids being

declared a holiday for NRSP, the proposals will be received up to the appointed time on next working day. NRSP may, at its discretion, extend this deadline for submission of proposals by amending the Tender documents.

20. Confidentiality Statement

All data and information received from NRSP for the purpose of this assignment is to be treated confidentially and is to be used ONLY in connection with the execution of these documents. All intellectual property rights arising from the execution of these documents are assigned to NRSP. The contents of written materials obtained and used in this assignment may not be disclosed to any third parties without the expressed advance written authorization of NRSP.

NRSP may then disclose the draft, final report and/or any related information to any person and for any purpose they may deem appropriate.

21. General Terms & Conditions

- a) NRSP does not bind itself to accept the lowest or any proposal and reserves the right to reject any or all proposals at any point of time prior to the issuance of purchase order/contract without assigning any reasons whatsoever.
- b) The NRSP reserves the right to resort to re-tendering without providing any reason whatsoever. The NRSP shall not incur any liability on account of such rejection.
- c) The NRSP reserves the right to modify any terms, conditions or specifications for submission of offer and to obtain revised proposals from the suppliers due to such changes, if any.
- d) Canvassing of any kind will be a disqualification and the NRSP may decide to cancel the supplier from its empanelment.
- e) Supplier code of conduct is attached for required compliance as Annex A.

22. Rejection of the Proposal

The proposal is liable to be **rejected** if:

- a. The document doesn't bear signature of authorized person.
- b. It is received through E-mail/whatsapp.
- c. If the proposal is submitted without or less or not in required type the bid security deposit.
- d. If the technical bid is submitted without the Technical Compliance Sheet (Form T6).
- e. If the proposal is received after expiry of the due date and time stipulated for proposal submission.
- f. If the proposal is for refurbished, grey or smuggled or international warranty products.
- g. Incomplete proposals, partial proposals including non-submission or non-furnishing of requisite documents / Conditional proposals / proposals not conforming to the terms and conditions stipulated in this tender document are liable for rejection by the NRSP.

23. Modifications and Withdrawal of Proposals

Proposals once submitted will be treated, as final and no further correspondence will be entertained on this.

- a. No proposal will be modified after the deadline for submission of proposals.
- b. No supplier shall be allowed to withdraw the proposal, once the first technical proposal is opened.
- c. No supplier shall be allowed to withdraw the proposal, if the supplier happens to be a successful supplier.

24. Proposal Opening and Evaluation

- a. NRSP will open the proposals, in the presence of supplier's representative(s) who choose/authorized to attend, at the time and date mentioned in Tender document at the address mentioned at bidding details.
- b. The supplier's representatives who are present shall sign the sheet evidencing their attendance. In the event of the specified date of proposal opening being declared a holiday for Purchaser, the proposals shall be opened at the appointed time and place on next working days.

- c. Suppliers satisfying the technical requirements as determined by NRSP and accepting the Terms and Conditions of this document shall be short-listed.
- d. Decision of NRSP in this regard shall be final and binding on the suppliers.
- e. The contract will be awarded only to the successful responsive supplier.
- f. NRSP reserves the right to negotiate with Second and third supplier etc. if successful supplier is not able to supply the deliverables and his bid security will be forfeited.

25. Clarifications of Proposals

To assist in the examination, evaluation and comparison of proposals NRSP may, at its discretion, ask the supplier for clarification. The response shall be in writing and no change in the substance or price of the proposal shall be sought, offered or permitted.

26. NRSP's Right to Accept or Reject Any Proposal Or All proposals

NRSP reserves the right to accept or reject any proposal and annul the bidding process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected supplier or suppliers or any obligation to inform the affected supplier or suppliers of the ground for NRSP's action.

27. Governing Laws and Disputes

All disputes or differences whatsoever arising between the parties out of or in relation to the meaning and operation or effect of these Tender Documents or breach thereof shall be settled amicably. If however the parties are not able to solve them amicably, the same shall be settled by arbitration in accordance with the applicable Pakistani Laws, and the award made in pursuance thereof shall be binding on the parties. The Arbitrator/Arbitrators shall give a reasoned award.

28. Placement of Order and Acceptance

The supplier shall give acceptance of the order placed within 7 days from the date of order, failing which, NRSP shall have right to cancel the order.

29. Authorized Signatory

The supplier should indicate the authorized officials from their organization who can discuss, correspond, sign agreements / contracts, raise invoice and accept payments and also to correspond. The suppliers should furnish proof of signature of the authorized personnel for above purposes *as* required by the NRSP.

30. Appeals

Suppliers believing that they have been harmed by an error or irregularity during the award process may file a complaint to NRSP at complaints@nrsp.org.pk.

Annex-A
Code of Conduct and Ethics

(Non-Employee, consultants, vendors and third parties)

Upholding ethical standards protects the integrity, fairness, and transparency of the procurement process.

As a consultant/Vendor professional objective is to assist NRSP to add value to their enterprise, whether that enterprise takes the form of a business, a not-for-profit organization or any element of government.

As a consultant/vendor requires adherence to this Code of Conduct and Ethics as a condition of relation. All consultants/vendors have pledged to abide by the NRSP's Code of Conduct and Ethics and their voluntary adherence to the Code signifies the self-discipline of the profession.

All individuals (non-employees) contracted or functionally related to NRSP, including executing entities and third-party vendors: -

1. Will serve NRSP with integrity, competence, objectivity, independence and professionalism.
2. Will only accept assignments that they are competent to perform; and will only assign staff or engage colleagues with knowledge and expertise relevant to the assignment.
3. Before accepting any assignment will establish with NRSP realistic expectations of the objectives, scope, expected benefits, work plan and fee structure of the assignment.
4. Will treat all confidential NRSP information appropriately; will take reasonable steps to prevent access to confidential information by unauthorized people and will not take advantage of proprietary or privileged information, for use by them or others, without the NRSP's permission.
5. Will avoid conflicts of interest, or the appearance of such, and will disclose to NRSP immediately any circumstances or interests that they believe may influence their work, judgment or objectivity.
6. Will not contact NRSP during the any pre-solicitation or evaluation phase in which participated, unless NRSP contact for any information.
7. Will offer to withdraw from assignment when they believe their objectivity or integrity may be impaired.
8. Will inform NRSP immediately if there is any change in contact person, email, address, directors, release of any of his/her employee or any such information which could be necessary for NRSP record.
9. Will represent the profession with integrity and professionalism in their relations with NRSP, colleagues and the general public.
10. Will report to appropriate authorities within or external to NRSP organization any occurrences of malfeasance, dangerous behavior or illegal activities discovered during the course of an assignment.
11. Will not offer commissions, gift, bribe, remuneration, or other benefits from himself or from a third party in connection with any assignment to NRSP, and will disclose in advance any financial interests.
12. Will promote adherence to the Code of Conduct and Ethics by all other staff working on their behalf.
13. Strive to treat all persons of NRSP with respect and courtesy in accordance with applicable international and national conventions and standards of behavior;
14. Never intentionally commit any act or omission that could result in physical, sexual or psychological harm to the beneficiaries we serve, or to their fellow workers;
15. Not condone or intentionally participate in corrupt activities or illegal activities. While respecting and adhering to these broader frameworks of behavior,
16. Shall not harass, discriminate, or retaliate against any other consultant/vendor or any member of society.
17. Shall make themselves available and fully participate in all administrative inquiries with completely honesty.
18. No NRSP employees shall solicit anything of value from a citizen or business for services that the NRSP is expected to provide.
19. Shall not remove NRSP property from its assigned place for personal use. Defacing or destroying NRSP property is vandalism and shall be dealt strictly.
20. Will not permit considerations of race, gender, nationality, religion, politics, sexual orientation or social status to influence professional behavior or advice.
21. Will be respectful of those whose wellbeing may be contingent. Will diligently apply objective judgment to all consulting assignments, based on the best information available. Will conduct independent research and analysis where possible, and will consult with colleagues and others who can help inform the judgment.
22. Will not use any services, goods, materials, technology and/or equipment provided by or paid for by NRSP for illegal, inappropriate, or otherwise disruptive activities, or in support of such activities.

23. Shall not place or display non-official notices in NRSP premises without prior written approval from the appropriate authority.
24. Shall not possess unauthorized weapons, illegal drugs, or alcohol on NRSP premises.
25. Shall strictly follow the NRSP's workplace policies while on any NRSP premises.

This Code of conduct is not exhaustive and may not anticipate every situation which may morally, ethically, professionally, legally compromise the employees or NRSP interests. In this regard NRSP expects to use sound judgment. However, compliance with this Code is a mandatory obligation owed by all consultants, third party vendors etc. Breach of this Code or any requirements mentioned in these Rules will result in disciplinary action and may lead up to cancellation of work order/registration including legal action or other appropriate disciplinary actions.

Anti-Money Laundering and Anti-Terrorism Financing Policy

Policy

"It is the policy of the NRSP to prohibit and actively prevent money laundering and any activity that facilitates money laundering or the funding of terrorism or criminal activities" by complying with all applicable requirements under the **Anti-Money Laundering Act 2010** (Act No. VII of 2010 - an Act to provide for prevention of money laundering) and **Anti-Terrorism (Second Amendment) Act, 2014** and its implementation regulations. Recently under the national action plan and SECP regulations money laundering has been identified as a major cause for corruption and criminal activities. Therefore, NRSP is very sensitive to ensuring that our platform is not used for any such purposes.
